# RAPID APPLICATION DELIVERY

## Highly-Skilled, Fully-Engaged Scrum Teams Ready to Deliver Now

**MACRO SOLUTIONS**

has the capacity to quickly standup highly-skilled scrum teams ready for application and platform development tasks.

Our team is CONUS-based, but off site, using secure agile techniques and advanced tooling to communicate and engage efficiently while remaining very cost-effective.

### FAST TURN
Quickly assemble fully-functional, highly-skilled teams on short timelines.

### SECURE
Our agile tools and techniques along with our communication and programming infrastructure is secure enough for DoD work.

### COST-EFFECTIVE
Having folks in secondary and tertiary markets helps us to drive down costs for you.

### TOOL & PLATFORM VARIETY
We can commingle our teams from across the country to deliver challenging-to-find skillsets.

### TIGHTLY ENGAGED
The team is connected by state-of-the-art collaboration tooling with daily scrums to keep everyone aligned.

## ABOUT

Macro Solutions is a woman-owned information technology and management consulting firm that helps companies and government organizations select, implement, modernize, integrate and maintain critical end-to-end business solutions.

## CLIENT WINS

### U.S. FEDERAL AGENCIES

We put our Agile-based transition, change management and DevOps process to the test, successfully migrating, modernizing, and enhancing all legacy service management operation and AppDev activities on time and under budget. This success garnered the highest rating of any firm engaged with this organization.

### U.S. ARMY

The Army Integrated Personnel and Pay System embarked on Agile methodology to increase speed of delivery and integrate stakeholder feedback in their processes. They were divided into 12 Scrum teams of about 11 members each. This Agile adoption is unique due to its size and complexity, and allows for full integration of teams to work in parallel with functional team members and developers.
